ENTRY GATES

We have 2 gates - please choose the correct one depending on your ticket type.

PREMIUM PARKING / DRIVE-IN

Please use the back gate as shown on the map. Do not leave your engine running whilst parked and remember to turn your lights off. If you are in a high vehicle please park to the sides.

PARK and WALK (free parking then a short walk)

Please use the main entrance gate as shown on the map. Park up and then walk across the walkway to the main arena area.

Bring your tickets with you as they will be scanned on foot as you walk through into the arena.

After the last show (closing show) please make your way back to your car. Please take your time, if it looks busy relax as it wont take long for everyone to leave. We have multiple exits and with limited numbers this shouldn't take long. It will take some time to exit the event - even the M6 has queues when it's down to one lane. Watch out for any traffic and bring a torch as the ground can be rough in places.

GAZEBO PERMITS - **NOT WITH PREMIUM PARKING**

Gazebo ticket holders please inform the staff as you arrive into the car park. Use GATE A

Bring hand sanitiser, use hand sanitiser, do not touch your face, stay 2 metres away from others, do not come if you have symptoms (cough, loss of smell, temperature) or have been in contact with someone with covid-19. Avoid crowds - do not rush to leave, let others clear first - allow more time to exit. Remember it is your responsibility to socially distance.

**Please bring sanitiser and a torch
Ground can be uneven so walk with care**

GENERAL INSTRUCTIONS

LITTER

Our litter picking team will have to collect rubbish you leave so please ensure you don't leave any. Bring a waste bag – pop it in and take it back home with you. You'll be doing us a massive favour and it will put a smile on the litter picking team who work so hard to clean up after each event. Please respect the venue by keeping it clean.
